There Is No Substitute in the World for
O. K. LARD

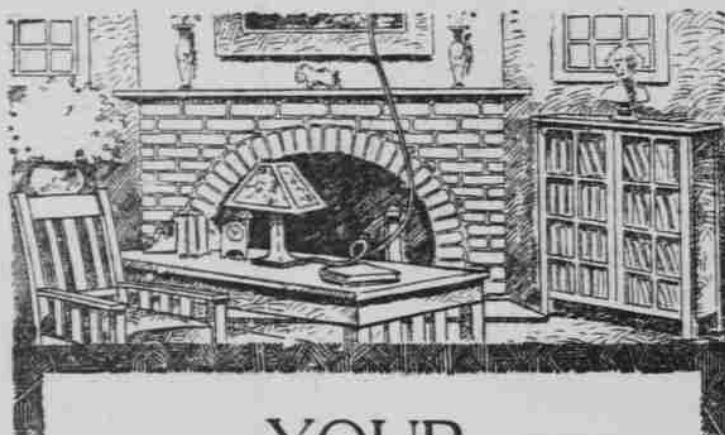

Substitutes are always advertised "as good as lard," thereby acknowledging the superiority of lard. Good, pure lard must be used to insure good cooking or baking.

O. K. Lard is made under federal inspection from select, Kansas fed, fat little pigs, rendered in open kettles and carefully packed in our patented, air-tight, odor-proof pails.

O. K. Lard is used by thousands of the best families who say it's the best lard that money will buy. Don't accept a substitute.

BUYING BLINDFOLDED

HOW many men and women in this community do their shopping blindfolded? Funny when you think of it that thinking men and women will play "Blind Man's Buff" with their money. You don't HAVE to shop blindfolded unless you want to. The Out-of-Town Houses started the Big Game of "Blind Man's Buff." But, it's a dangerous game for US to play in OUR TOWN. It isn't a fair game. It isn't fair to ourselves. It isn't fair to our COMMUNITY. It isn't fair to our home merchant. He is helping US, co-operating with US, working WITH US to upbuild and improve all our home institutions. Then, let us play fair with ourselves and with him. Let us give the home merchant the first chance. That is all he asks.
